All horses **MUST** have a stall assigned to them. You are encouraged to send your stalling requests in early, but remember that a group must send in all together. There is a limited amount of box and tie stalls. When either is filled, you will automatically be assigned the other. In which case you may owe us more money, or we may owe you a refund. Please read stall instructions on the other page for more detailed information. Questions about stalling can be directed to Tim Wampfler at 715-497-6922 or by email wampy81@yahoo.com.
